Re: Transitioning from Edline to ParentsWeb

Dear ACA Family,

We would like to introduce you to ParentsWeb, a new tool to keep you connected to your student's busy life at ACA. ParentsWeb will give you better access to announcements, grades, homework, and more! **We will continue to use Edline through the end of this school year.** However, beginning July 1, ParentsWeb will replace Edline completely as our internal website. **All information regarding the 2010-11 school year will be posted on ParentsWeb.** This includes course selection information, the course description guide, and summer reading requirements for next year. Log into your new ParentsWeb account today, by following the instructions below.

Email is our primary channel of communication. You will need a valid e-mail address to activate your ParentsWeb account. If you do not have an e-mail address, please contact Mark Leonard at ACA (909-435-3377) for help in setting up a free e-mail account online.

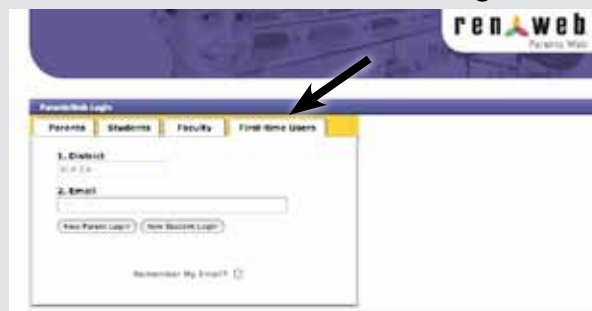

Now, it's time for you to log in to ParentsWeb! Just follow the instructions below to log in for the first time and **access information about the 2010-11 school year.** We think you're going to love ParentsWeb!

Blessings,

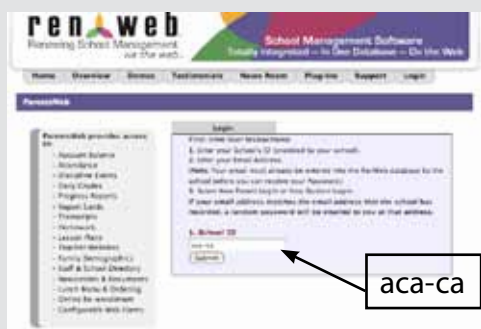

Mark Leonard, Director of Communications

## How to log in to ParentsWeb
